

## Limited Warranty for PV Modules

This document is a contract between you and Jinko Solar. It describes the terms and conditions of the limited warranty for the PV Modules you purchase from Jinko Solar. Please read this document carefully before you purchase the PV Modules. If you do not agree with the terms and conditions, you should not purchase the PV Modules. If you purchase the PV Modules, you agree to accept the terms and conditions of this limited warranty.

### 1. Limited Product Warranty – Ten Year Repair or Replacement

Jinko Solar warrants that the PV Modules are free from defects in materials and workmanship under normal use and service for a period of ten (10) years from the date of shipment. If a defect in materials or workmanship is discovered during this period, Jinko Solar will, at its option, repair or replace the defective PV Modules. This warranty is limited to the original purchaser of the PV Modules and is not transferable. Jinko Solar's obligation under this warranty is limited to the repair or replacement of the defective PV Modules and does not include labor charges, transportation, or other costs. Jinko Solar's obligation under this warranty is limited to the original purchaser of the PV Modules and is not transferable. Jinko Solar's obligation under this warranty is limited to the repair or replacement of the defective PV Modules and does not include labor charges, transportation, or other costs.

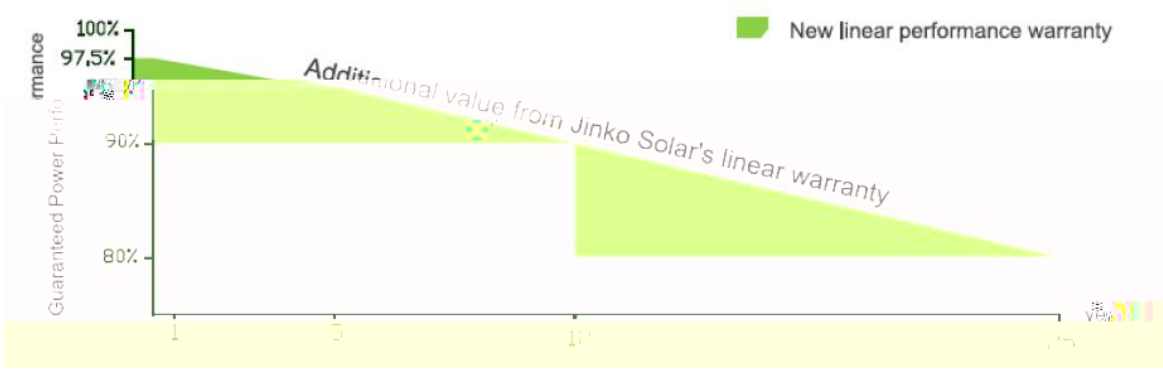

### 2. Limited Peak Power Warranty– Limited Remedy

Jinko Solar warrants that the PV Modules will produce a minimum power output of 90% of the rated power output for a period of 25 years. If the power output of the PV Modules falls below 90% of the rated power output, Jinko Solar will, at its option, provide a credit or replacement of the PV Modules. This warranty is limited to the original purchaser of the PV Modules and is not transferable. Jinko Solar's obligation under this warranty is limited to the provision of a credit or replacement of the PV Modules and does not include labor charges, transportation, or other costs.
